The criteria contained in the Terrorism Risk Insurance Act for a **certified act of terrorism** include the following:

- a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

Terrorism means activities against persons, property, organizations or the environment of any nature that involve the following or preparation for the following:

- a. Use, commission or threat of force, violence or a dangerous act; or
- b. Commission or threat of an act that interferes with or disrupts an electronic, communication, information or mechanical system; and

the effect or intent is to intimidate or coerce a government or civilian population or any segment thereof; or to disrupt any segment of the economy; or to further political, religious ideological, social or economic objectives or beliefs.

If the terms "loss" and "claim" are not defined in this endorsement, they shall have the same meaning as these terms are defined in this policy.

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any claim, liability, injury, damage, loss, cost or expense that is otherwise excluded under this policy.

All other terms and conditions of this policy remain unchanged.

CLAIM EXPENSE PARTIALLY OUTSIDE OF LIMITS OF LIABILITY

It is hereby agreed that the following changes are made to the policy:

1. Item 3. of the Declarations is amended to include the following Separate Claim Expense Limit applicable to Coverages 1 – 4 to the extent purchased:

Separate Claim Expense Limit: \$250,000

2. **SECTION IV – LIMITS OF INSURANCE AND DEDUCTIBLE** is deleted in its entirety and replaced with the following:

SECTION IV – LIMITS OF INSURANCE AND DEDUCTIBLE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of: (a) **insureds**; (b) **claims**; (c) persons or organizations making **claims**; or (d) **pollution incidents**.
2. The Policy Aggregate Limit shown in Item 4. of the Declarations and Separate Claim Expense Limit shown in Item 3. of the Declarations are the most we will pay under this policy for the sum of all applicable **loss, claim expense, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded under this policy. Our total liability for all insurance afforded under this policy, combined, will not exceed the Policy Aggregate Limit and Separate Claim Expense Limit shown in Item 3. and 4. of the Declarations and as set forth in this Section IV.
3. Subject to paragraph 2. above, the Coverage Section Aggregate Limit shown for each Coverage, and the Separate Claim Expense Limit shown in Item 3. of the Declarations is the most we will pay for the sum of all applicable amounts for which insurance is afforded for such Coverage including **claim expense** under this policy.
4. Subject to paragraphs 2. and 3. above, the Each Incident Limit and Separate Claim Expense Limit shown in Item 3. of the Declarations are the most we will pay for the sum of all applicable **loss, claim expense, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded for such Coverage arising out of a single **pollution incident**.
5. **Claim expense** first applies to and reduces the Separate Claim Expense Limit shown in Item 3. of the Declarations. Once the Separate Claim Expense Limit shown in Item 3. of the Declarations is exhausted, **claim expense**:
 - a. Is part of, and is not in addition to, the Each Incident Limit, Coverage Section Aggregate Limit, and Policy Aggregate Limit shown in Items 3. and 4. of the Declarations and as set forth in this Section IV.; and
 - b. Applies to, and reduces, the Each Incident Limit, Coverage Section Aggregate Limit and Policy Aggregate Limit shown in Items 3. and 4. of the Declarations and as set forth in this Section IV.

6. Notwithstanding anything to the contrary above, if the Policy Aggregate Limit shown in Item 3. of the Declarations is exhausted by payment of applicable **loss, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded by this policy, or any combination of the foregoing, then the Separate Claim Expense Limit shall also be deemed exhausted and no further **claim expense** will be paid under this policy; and if the Coverage Section Aggregate Limit is exhausted by payment of applicable **loss** or **emergency response expense** and any other amounts for which insurance may be afforded by this policy, or any combination of the foregoing, then the Separate Claim Expense Limit shall also be deemed exhausted for such applicable coverage section and no further **claim expense** will be paid under this policy for such coverage section.
7. Notwithstanding the above, if insurance applies under two or more Coverages shown in Item 3. of the Declarations with respect to **loss, claim expense, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded by this policy arising out of a single **pollution incident**, the most we will pay is the highest Each Incident Limit amount available under one such Coverage applicable to the single **pollution incident**. Nothing in this paragraph shall operate to increase any Each Incident Limit or other limit shown in Items 3. and 4 of the Declarations.
8. All **loss, claim expense, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded by this policy arising out of the same, related, repeated or continuous **pollution incident** are deemed to arise out of a single **pollution incident**.
9. Subject to the limits of insurance set forth in Items 3. and 4. of the Declarations, we are liable only for that portion of **loss, claim expense, emergency response expense** and any other amounts for which insurance may be afforded by this policy in excess of the Deductible Each Incident amount shown for each Coverage in Item 3. of the Declarations. If insurance applies under two or more Coverages shown in Item 3. of the Declarations with respect to any **loss, claim expense, emergency response expense**, and any other amounts for which insurance may be afforded by this policy arising out of a single **pollution incident**, only the highest applicable Deductible Each Incident amount shown in Item 3. of the Declarations applies.
10. If aggregate insured losses attributable to Certified Acts of Terrorism exceed \$100 billion in a calendar year the United States Government shall not make any payment for any portion of the amount of such loss that exceeds \$100 billion. If aggregate insured losses attributable to Certified Acts of Terrorism exceed \$100 billion in a calendar year and the Company has met its deductible under the Act, the Company shall not be liable for payment of any portion of the losses that exceeds \$100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The Insured is hereby notified that under the federal Terrorism Risk Insurance Act, as amended, (the "Act"), the Insured has a right to purchase insurance coverage for Losses arising out of an Act of Terrorism, as defined in Section 102(1) of the Act. The term "act of terrorism" means an act certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside of the United States in case of certain air carriers or vessels or the premises of a U.S. mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Be advised that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap on all losses resulting from Certified Acts of Terrorism. If aggregate insured losses attributable to Certified Acts of Terrorism exceed \$100 billion in a Calendar Year, the United States Government shall not make any payment for any portion of the amount of such loss that exceeds \$100 billion. If aggregate insured losses attributable to Certified Acts of Terrorism exceed \$100 billion in a Calendar Year and we have met our deductible under the Act, we shall not be liable for payment of any portion of the losses that exceeds \$100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

However, we will have no duty to defend the **insured** against any **claim** to which this insurance does not apply. - (1) The amount we will pay for **loss** and any other amounts for which insurance may be afforded under this policy is limited as set forth in SECTION IV - LIMITS OF INSURANCE AND DEDUCTIBLE; and

b. Settlement

When we present a settlement offer to the **insured** that is acceptable to a claimant and within the applicable Limits of Insurance or Deductible Each Incident amount, and the **insured** rejects the proposed settlement of the **claim** for the amount of the settlement offer, our duty to defend the **claim** shall end and the **insured** shall defend the **claim** at the **insured**'s own expense. For the purpose of this paragraph, rejection of the proposed settlement offer includes the **insured**'s failure to accept, in writing, the proposed settlement offer within five (5) calendar days of the **insured**'s receipt of such offer.

c. Clean-up

We also have the right, but not the duty, to assume direct control of any clean-up, investigation, abatement, containment, treatment, removal, remediation, monitoring or disposal activities to which this insurance applies. This person or entity is responsible for payment of all premiums and deductibles and any applicable co-insurance obligations, and shall act on behalf of all other **insureds** for the giving and receiving of notice of cancellation or non-renewal, receipt and acceptance of the policy when issued and any endorsement issued during the **policy period**, receipt of any return premiums that become payable under this policy, the addition or reduction of coverage, and the exercise of the right, if any, to purchase an optional extended reporting period.

3. **Insured** means each **named insured** and any past or present director, officer, partner, member or employee of such **named insured**, but only while acting in the course and scope of his or her duties as such with respect to the conduct of such **named insured**'s business. If a **named insured** is a limited liability company, then **insured** also means your managers, but only with respect to their duties as your managers.
4. **Additional Insured** means any person or entity that is designated as such in an endorsement, if any, attached to this policy. Any such **additional insured** shall maintain only those rights to coverage under this policy as specified by the endorsement.

SECTION III – EXCLUSIONS

The insurance provided in SECTION I – INSURING AGREEMENTS does not apply to any **claim, loss, clean-up costs, emergency response expense, business interruption costs** or any other amount, injury or damage for which insurance may be afforded:

1. **Asbestos and Lead-based Paint**

Arising from lead-based paint or asbestos in any form, including asbestos-containing materials in or on any building or other structure.

This exclusion does not apply to: (a) a **claim** for **bodily injury** or **property damage**; or (b) that portion of **clean-up costs** to remediate soil, surface water or groundwater.

2. **Contractual Liability**

This exclusion does not apply to:

- a. Liability that the **insured** would have in the absence of the contract or agreement; or
- b. Liability assumed in a contract or agreement that is an **insured contract**. Solely for the purposes of liability assumed in an **insured contract**, reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an **insured** are deemed to be **loss** other than **claim expense**, provided: (1) liability to such party for, or for the cost of, that party's defense has also been assumed in the same **insured contract**; and (2) such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

3. **Criminal Fines, Penalties and Assessments**

4. **Damage to Property**

That is **property damage** to: (a) property owned, leased or occupied by or loaned to an **insured** (including any costs or expenses for repair, replacement, enhancement, restoration or maintenance of such property for any reason, including prevention of injury to a person or damage to another's property); or (b) personal property in the care, custody or control of an **insured**.

5. **Employer's Liability**

This exclusion applies whether an **insured** may be liable as an employer or in any other capacity and to any obligation to share damages with or repay another.

6. **Hostile Acts**

Arising directly or indirectly from war (whether or not declared), civil war, insurrection, rebellion, revolution, invasion, act of foreign enemy, hostilities or any act or condition incidental to the foregoing.

7. Insured Versus Insured

8. Intentional Non-compliance

Arising from a **pollution incident** that happens because of a **responsible manager's** intentional disregard of, or deliberate, willful or dishonest noncompliance with any law, statute, ordinance, regulation, order, judgment, decree, notice of violation, instruction or directive issued by or on behalf of any governmental body. This exclusion does not apply to a **responsible manager's** non-compliance based on such **responsible manager's** reasonable and good faith efforts to mitigate a **pollution incident** that requires immediate action, provided that such **pollution incident** is reported to us, in writing, within seven (7) days of its commencement.

9. Known Pollution

Arising from a **pollution incident** that took place, in whole or in part, prior to the commencement of the **policy period** where the **pollution incident** was known by, or reported to, a **responsible manager** and not disclosed to us, in writing, prior to the first day of the **policy period**. Any such **pollution incident** that was so disclosed to us, and not otherwise excluded from coverage will be deemed to have been first discovered during the **policy period**. If this policy is a renewal and the **insured** has maintained, on a continuous and uninterrupted basis, consecutive policies of insurance issued by us or an affiliate of us, that afford substantially the same coverage from the time that such **pollution incident** was first disclosed to us, in writing, and not otherwise excluded from coverage, such **pollution incident** will be deemed to have been first discovered during the first policy period when such **pollution incident** was disclosed to us and subject to all terms and conditions of that prior policy.

10. Material Change in Use

Arising from a change in the use of or operations at a **scheduled location** from that which you disclosed to us, in writing, prior to the first day of the **policy period**, where such change materially increases the likelihood or extent of a **pollution incident, bodily injury, property damage, environmental damage, loss or claim** in relation to the disclosed use or operations.

11. New Pollution Incident at Divested Property

Arising from a **pollution incident** on, at, under or migrating from a **scheduled location**, where such **pollution incident** commenced after the time such **scheduled location** was sold, given away or abandoned by an **insured**, or was condemned.

12. Prior Claims

Arising from **your product** or any part of it after an **insured** has relinquished physical possession.

14. Underground Storage Tanks

Arising from an **underground storage tank** at a **scheduled location**. This exclusion does not apply to an **underground storage tank**:

- a. Whose existence is not known by or reported to any **responsible manager** prior to the commencement of the **policy period**;
- b. That is scheduled onto this policy by endorsement;
- c. Which has been closed, abandoned in place or removed prior to the commencement of the **policy period** in accordance with **environmental law** at the time of such closure, abandonment or removal; or
- d. That is an oil / water separator, storm water collection system, or flow-through process tank located partially in the ground.

15. **Workers Compensation and Similar Laws**

Arising from any obligation of the **insured** under workers' compensation, disability benefits or unemployment compensation laws or any similar laws.

SECTION IV – LIMITS OF INSURANCE AND DEDUCTIBLE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of: (a) **insureds**; (b) **claims**; (c) person or organizations making **claims**; or (d) **pollution incidents**.
2. The Policy Aggregate Limit shown in Item 4. of the Declarations is the most we will pay for the sum of all **loss, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded under this policy. Our total liability for all insurance afforded under this policy, combined, will not exceed the Policy Aggregate Limit shown in Item 4. of the Declarations.
3. Subject to paragraph 2. above, the Coverage Section Aggregate Limit shown for each Coverage in Item 3. of the Declarations is the most we will pay for the sum of all amounts for which insurance is afforded for such Coverage.
4. Subject to paragraphs 2. and 3. above, the Each Incident Limit shown for each Coverage in Item 3. of the Declarations is the most we will pay for the sum of all **loss, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded for such Coverage arising out of a single **pollution incident**.
5. Notwithstanding paragraph 4. above, if insurance applies under two or more Coverages shown in Item 3. of the Declarations with respect to any **loss, emergency response expense, business interruption costs** or any other amounts for which insurance may be afforded under this policy arising out of a single **pollution incident**, the most we will pay is the highest Each Incident Limit amount available under one such Coverage applicable to the single **pollution incident**. Nothing in this paragraph shall operate to increase any Each Incident Limit or other limit shown in Items 3. and 4. of the Declarations.
6. All **loss, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded under this policy arising out of the same, related, repeated or continuous **pollution incident** are deemed to arise out of a single **pollution incident**.
7. Subject to the limits of insurance set forth in Items 3. and 4. of the Declarations, we are liable only for that portion of **loss, emergency response expense** or any other amounts for which insurance may be afforded under this policy in excess of the Deductible Each Incident amount shown for each Coverage in Item 3. of the Declarations. If insurance applies under two or more Coverages shown in Item 3. of the Declarations with respect to any **loss, emergency response expense** or any other amounts for which insurance may be afforded under this policy arising out of a single **pollution incident**, only the highest applicable Deductible Each Incident amount shown in Item 3. of the Declarations applies.
8. The Deductible Each Incident amount is your obligation to pay and applies to all **loss, emergency response expenses** or any other amount for which insurance may be afforded under this policy arising from a single **pollution**

incident. We may choose to advance payment of any part or all of the Deductible Each Incident amount to effect settlement of any **claim**, or to pay **clean-up costs, emergency response expense, claim expense** or any other amounts for which insurance may be afforded under this policy and, upon notification of the action taken, you shall promptly reimburse us for the Deductible Each Incident amount that has been paid by us.

SECTION V – EXTENDED REPORTING PERIODS

If this policy is cancelled by the **insured** or not renewed, and the **insured** has not purchased or obtained other insurance to replace the insurance afforded by this policy, the following provisions apply.

1. Automatic Extended Reporting Period

- a. The **insured** is entitled to a ninety (90) day Automatic Extended Reporting Period, commencing on the date and at the time that the **policy period** ends. When the **insured** is entitled to the ninety (90) day Automatic Extended Reporting Period, the **insured** has the right to report to us, in writing, during this ninety (90) day Automatic Extended Reporting Period:

- (1) A **claim** first made against the **insured** during the **policy period**; or
- (2) A **claim** first made against the **insured** during the ninety (90) day Automatic Extended Reporting Period, if such **claim** results from a **pollution incident** first discovered and reported to us, in writing, during the **policy period**.

When the ninety (90) day Automatic Extended Reporting Period applies, a **claim** reported to us, in writing, during this ninety (90) day period will be deemed to have been made on the last day of the **policy period**.

2. Optional Extended Reporting Period

- a. The **first named insured** is also entitled to purchase an Optional Extended Reporting Period of up to thirty-six (36) months, commencing on the date and at the time the **policy period** ends, provided that:
 - (1) Within thirty (30) days of such cancellation or non-renewal, we receive written notice from the **first named insured** of its election to purchase an Optional Extended Reporting Period for a specific period of not more than thirty-six (36) months; and
 - (2) The **first named insured** pays, prior to the commencement of the Optional Extended Reporting Period and in accordance with our payment terms, the additional premium charged by us, and upon payment we will issue an endorsement providing for such Optional Extended Reporting Period.
- b. The additional premium charged for the Optional Extended Reporting Period will not be more than two hundred per cent (200%) of the total policy premium.
- c. When the **first named insured** is entitled to and purchases the Optional Extended Reporting Period, the **insured** has the right to report to us, in writing, during the specified Optional Extended Reporting Period, a **claim** first made against the **insured** during such Optional Extended Reporting Period, provided that the **claim** results from a **pollution incident** first discovered and reported to us, in writing, during the **policy period**. Any **claim** so reported will be deemed to have been made on the last day of the **policy period**.

If the Optional Extended Reporting Period is purchased by the **first named insured** in accordance with the preceding paragraphs, the Automatic Extended Reporting Period becomes a part of, and is not in addition to, the purchased Optional Extended Reporting Period.

When applicable, the Automatic Extended Reporting Period and Optional Extended Reporting Period do not operate to increase any limit of insurance under this policy, extend the **policy period** or change the scope of coverage provided.

For the purpose of this section, the quotation of different terms and conditions by us shall not be construed as a non-renewal of this policy.

SECTION VI – CONDITIONS

1. Assignment

This policy may not be assigned without our prior written consent, which shall not be unreasonably withheld.

2. Bankruptcy

Bankruptcy or insolvency of the **insured** or the **insured's** estate shall not relieve us of our obligations under this policy and shall also not relieve any **insured** of its obligations under this policy.

3. Cancellation

- a. The **first named insured** may cancel this policy by mailing or delivering to us advance written notice of cancellation. When the **first named insured** cancels this policy, we will calculate return premium on a short rate basis unless the **policy period** is three (3) years or greater, in which case the premium shall be 100% earned on the first day of the **policy period** and you shall not be entitled to any return of premium.
- b. We may cancel this policy for non-payment of premium or your failure to reimburse us for any Deductible Amount paid by us by mailing or delivering to the **first named insured** written notice of cancellation at least ten (10) days before the effective date of cancellation.
- c. We may cancel this policy due to fraud or a material misrepresentation or concealment by any **insured** by mailing or delivering to the **first named insured** written notice of cancellation at least ninety (90) days before the effective date of cancellation. During the first sixty (60) days of such cancellation notice period, the **first named insured** may attempt to cure the circumstances that formed the basis of such notice of cancellation and request that we rescind our notice of cancellation. We will consider any such request and determine, in our sole discretion, whether or not to rescind the notice of cancellation.
- d. We will mail or deliver our notice of cancellation to the **first named insured's** last mailing address known to us. Our notice of cancellation will state the effective date and hour of cancellation of the policy. If notice of cancellation is mailed, proof of mailing will be sufficient proof of notice.

4. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

5. Economic and Trade Sanctions

If affording insurance under this policy would be a violation of any United States of America economic or trade sanctions, including, but not limited to, sanctions administered and enforced by the United States Treasury Department's Office of Foreign Assets Control ("OFAC"), then such insurance will be null and void.

6. Headings

The descriptions in the headings and sub-headings of this policy are inserted solely for convenience and do not constitute any part of the terms or conditions of this policy.

7. Independent Counsel

In the event the **insured** is entitled by law to select independent counsel, the fees and all other litigation expenses we must pay to that counsel are limited to the rates we actually pay to counsel we retain in the ordinary course of business in the defense of similar **claims** in the community where the **claim**-related proceeding is being defended, or if there is no **claim**-related proceeding to defend, where the **claim** arose.

Additionally, we may exercise the right to require that such counsel have certain minimum qualifications with respect to their competency including experience in defending **claims** similar to the one pending against the **insured**, and to require that such counsel have errors and omissions insurance coverage.

Furthermore, the **insured** may at any time, by the **insured's** signed consent, freely and fully waive the right, if any, to select independent counsel.

8. Inspections and Surveys

- a. We have the right to make inspections and surveys, at any time during normal business hours with reasonable advance written notice, of books, records, services, properties and activities as far as they relate to the subject matter of this policy, and monitor and audit, give you reports on the conditions we find and recommend changes.
- b. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. Also, we do not warrant that conditions:

(1) Are safe or healthful; or

(2) Comply with laws, regulations, codes or standards.

This applies not only to us, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations.

- c. We may modify, amend or delete any of the terms and conditions of this policy, including the right to charge additional premium and the right to cancel, rescind or void this policy, if our examination, audit, monitoring or inspection reveals any material risk, hazard or condition that was not previously disclosed by you in the Application or supplemental materials submitted to us prior to the first day of the **policy period**, or which materially deviates from the information disclosed in the Application or supplemental materials submitted to us prior to the first day of the **policy period**.

9. Legal Action Against Us

No person or organization has a right under this policy to join us as a party or otherwise bring us into a suit asking for damages from an **insured**, or to sue us on this policy, unless there has been full compliance with all of its terms.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an **insured**, but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the **insured** and the claimant or the claimant's legal representative.

10. Notice of Possible Claim

- a. If during the **policy period**, the **responsible manager** first becomes aware of a **possible claim**, the **responsible manager** may provide written notice to us during the **policy period** containing all the information required under paragraph b. below. Provided the **insured** has maintained, on a continuous and uninterrupted basis, consecutive policies of insurance issued by us or an affiliate of us, that afford substantially the same coverage as provided under this policy, any **possible claim** which subsequently becomes a **claim** made against you and reported to us

under any such consecutive policy, shall be deemed to have been first made and reported during the **policy period** of this policy. Such **claim** shall be subject to the terms, conditions and limits of coverage of the policy under which the **possible claim** was reported.

- b. It is a condition-precedent to the coverage afforded by this policy that notice under paragraph a., above contain all of the following information:
- (1) The cause of the **pollution incident**;
 - (2) The **scheduled location** or other location where the **pollution incident** took place;
 - (3) The **bodily injury, property damage, or environmental damage** which has resulted or may result from such **pollution incident**;
 - (4) The insured(s) which may be subject to the **claim** and any potential claimant(s);
 - (5) All engineering information available on the **pollution incident** and any other information that the Company deems reasonably necessary; and
 - (6) The circumstances by which and the date the **insured** first became aware of the **possible claim**.

11. Other Insurance

If other valid and collectible insurance is available to the **insured** for insurance afforded by this policy, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except as set forth in paragraph c. below. Our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in paragraph b. below.

b. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable Limits of Insurance of all insurers.

c. Microbial Matter

Solely with respect to insurance afforded for a **pollution incident** arising from **microbial matter**, this insurance is excess over any other valid and collectible insurance and we will: (i) have the right, but not duty to defend the **insured** against any **claim** to which this insurance applies; and (ii) pay only the amount of **loss, emergency response expense, business interruption costs** and any other amounts for which insurance may be afforded under this policy which exceed the total amount of such other insurance.

12. Reporting Under Multiple Policies

- a. If a **pollution incident** is first discovered during the **policy period** and reported to us, in writing, during the **policy period**, and a **claim** arising out of the same, related, repeated or continuous **pollution incident** is first made against the **insured** and reported to us, in writing, after the expiration of the **policy period** under the terms of a policy of insurance subsequently issued by us or an affiliate of us, then such **claim** will be deemed to have been first made and reported to us on the last day of the **policy period**, provided that:

(1) The **insured** has maintained, on a continuous and uninterrupted basis, consecutive policies of insurance issued by us or an affiliate of us, that afford substantially the same coverage, from the time that such **pollution incident** is first reported to us, through the date the **claim** is reported to us; and

(2) The **claim** is covered under the policy of insurance subsequently issued by us or an affiliate of us.

Any such **claim** shall be deemed to arise out of a single **pollution incident** and shall be subject to the terms of this policy including the Each Incident Limit, Coverage Section Aggregate Limit and Policy Aggregate Limit in accordance with SECTION IV – LIMITS OF INSURANCE AND DEDUCTIBLE of this policy, and no other policy shall respond.

13. Representations

By accepting this policy, you agree that: (a) the statements and information in the Application and other supplemental materials submitted to us are accurate and complete and are material to our underwriting of this policy; (b) such statements and information are representations you made to us; and (c) we have issued this policy in reliance upon your representations.

14. Separation of Insureds

Except with respect to the Limits of Insurance, SECTION III – EXCLUSIONS, 7. Insured Versus Insured, and any rights or duties specifically assigned in this policy to the **first named insured**, this insurance applies as if each **insured** were the only **insured** and separately to each **insured** against whom a **claim** is made. However, misrepresentation, concealment, breach of condition or violation of any duty under this policy by one **insured** shall not prejudice the interest of coverage for another **insured** under this policy, except where an **insured** is a parent, subsidiary or affiliate of the **first named insured** set forth in the Declarations.

15. Service of Suit

In the event of failure of us to pay any amount claimed to be due hereunder, we, at the request of the **insured**, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of our rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon counsel, Legal Department, Allied World Assurance Company (U.S.) Inc., 199 Water Street, 24th Floor, New York, NY 10038 or his or her representative, and that in any suit instituted against us upon this policy, we will abide by the final decision of such court or of any appellate court in the event of an appeal.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefore, we hereby designate the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his or her successors in office as its true and lawful agent upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the **insured** or any beneficiary hereunder arising out of this policy of insurance.

16. Transfer of Rights of Recovery Against Others to Us

If the **insured** has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The **insured** must do nothing after discovery of a **pollution incident** to impair such rights. At our request, the **insured** will bring suit or transfer those rights to us and help us enforce them.

Any recovery as a result of a subrogation proceeding arising out of the payment of **loss** or any other amounts covered under this policy shall accrue first to us to the extent of our payment under the policy, and then to you to the extent of your deductible. Expenses incurred in such subrogation proceeding shall be apportioned among the interested parties in the recovery in the proportion that each interested party's share in the recovery bears to the total recovery.

17. Your Duties in the Event of a Pollution Incident or Claim

- a. You must see to it that we are notified of a **pollution incident** or **claim** to which this insurance may apply, as soon as practicable at the address shown in Item 8. of the Declarations or via email at envcasclaims@awac.com. To the extent possible, notice should include:

 - (5) Update us regarding any requested information that is not available at the time of the request but subsequently becomes available.
- c. No **insured** will, except at that **insured's** own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than **emergency response expense** for which you are entitled to recover under this policy, without our prior consent.
- d. The **insured** must:
- (1) Submit, for our approval, all proposed work plans prior to submittal to any regulatory agency or duly licensed scientist or engineer authorized by law to oversee the investigation and clean-up of a **pollution incident**;
